INSTRUCTIONS FOR GRANT APPLICANTS

AEF favors grant projects that:

- Promote original, creative ideas
- Demonstrate educational innovation
- Focus on content enrichment and skills development
- Are not supported through normal school budgets
- Have measurable indicators of success
- Address one or more academic standards set by AASD

To apply for a grant:

- 1) Completely fill out the AEF grant application forms (Cover Sheet and Outline A or B), including the budget section. Please type the narrative portion of the application.
- 2) Have the application signed by your supervisor or building principal.
- 3) Submit the application by 4:00 p.m. on April 10 or November 10.

Timeline:

The AEF will **notify you** when your application has been received and will announce whether a grant has been awarded or denied approximately **six weeks after the application deadline**. In most cases, projects awarded funding will be implemented in the following school semester.

Guidelines & Restrictions:

- Grant award amounts are generally a maximum of \$500 for an individual classroom project, or up to \$1,500 for a project that involves multiple classrooms, crosses disciplines, or involves more than one school.
- Up to \$2,000 may be requested through the Professional Development Grant Program to support the cost of bringing a speaker in to the AASD.
- Only one project grant and one professional development grant may be awarded to the same educator in the same school year.
- Grantees should carefully track expenses and save receipts for use of grant funds. Any unused grant funding (\$20 or more) should be returned to AEF.
- Grant recipients will be required to submit a final report, to help the AEF ensure effective grant making and data collection.
- AEF typically provides seed money for creative projects and should not be considered a resource for on-going funding.
- AEF does not reimburse for previously incurred expenses.
- Any proposed software must go through the AASD's software approval process *before* the grant is submitted.
- AEF places a low priority on funding: computer software, classroom sets of books, and food.
- AEF does not provide funding for staff salaries (substitute teachers).

GRANT PROGRAM DESCRIPTIONS

The Appleton Education Foundation currently offers the following grant programs:

1. “CHOOSE YOUR FOCUS” GRANTS (complete Application Cover Sheet and Proposal Outline A)

Proposals will be accepted for projects that creatively enhance the education and instruction of students in *any* academic discipline. Grant money may not be used for operating expenses, such as for payment of substitute teachers or travel.

Eligibility: Applications may be submitted by any Appleton Area School District educator or any community member in partnership with an educator for students in grades pre-K-12. Grants may range from \$100 to a maximum of \$500. Additional funding (up to a maximum of \$1,500) may be available for projects that involve multiple classrooms, cross disciplines, or involve more than one school.

Application Deadline: 4:00 p.m. on April 10 or November 10.

2. PROFESSIONAL DEVELOPMENT GRANTS (complete Application Cover Sheet and Proposal Outline B)

Guest Speakers: The AEF will look favorably at requests for funds to bring speakers to the AASD to address a group of educators on a particular topic of interest.

Eligibility: Applications may be submitted by any Appleton Area School District educator. Up to \$2,000 may be requested; however, the Grants Committee may on occasion recommend that the \$2,000 cap be exceeded. Committee members will consider such factors as total number of staff attending, degree of speaker connection to district/school goals, and available revenue when making the decision.

Application Deadline: 4:00 p.m. on April 10 or November 10.

3. CO-CURRICULAR EDUCATION & TRAINING GRANTS (complete Application Cover Sheet and Proposal Outline A)

Grants support education or training of student or coach participants in co-curricular activities. For this program, co-curricular activities are defined as those involving performance, publication or competition in which students represent the school and do not receive academic credit. These may include interscholastic athletics (but not intramural athletics), debate and other organizations that have competitions (such as DECA), put on performances (such as drama) or produce publications (such as school newspapers or yearbooks) where the group represents the school as part of the competition, performance or publication.

Eligibility: Grant applications may be made in support of any student, employee or affiliate (such as volunteer coaches/advisors) involved in an eligible co-curricular activity in grades K through 12. Grants may not be used for co-curricular operating expenses such as expenses for uniforms, equipment or travel.

Application Deadline: 4:00 p.m. on April 10 or November 10.

4. PASS-THROUGH /WISH LIST GRANTS (complete Application Cover Sheet and Proposal Outline A)

Any AASD educator or any community member in partnership with an educator may submit a grant application for any project that meets the mission of the AEF. For accepted proposals, the AEF Board may attempt to match donors with grant applicants, perhaps by publicizing the request in AEF’s newsletter “Wish List” column.

Application Deadline: 4:00 p.m. on April 10 or November 10.
